

Social Share App Documentation

Installation & Configuration

Version 1.0

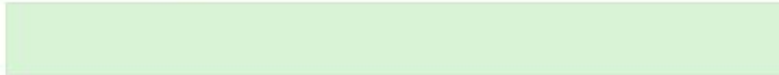

Why Social Share?

- Share instantly on social media and Whatsapp
- Get 20% more traffic
- Analyse the share statistics in the app dashboard

How does it work?

1. 1-click install from the SEOshop app store
2. Create a Vivaio Apps account or login
3. Choose the social media channels and/or Whatsapp:

Instellingen general ui configuration

Social icons

- Facebook
- Twitter
- Pinterest
- Tumblr
- Google Plus
- LinkedIn
- Whatsapp
- E-mail

4. Choose a default share text:

Geavanceerde instellingen

Eigen deelttekst

Shared by Webshop X

5. Configure if you want to have rounded or squared icons:

Icon soort Ronde iconen
 Vierkante iconen

6. Position and/or disable icons on desktop, tablet and/or mobile

Icon grootte

Positie op een desktop scherm Zet uit op desktop
